

# INTERESTED IN A RADIOLOGY RESIDENCY?

## To apply:

1. Please contact the Radiology Residency/Fellowship Coordinator.

Faith McDaniel, Coordinator II  
Department of Radiology  
(409) 747-2849  
[femcdani@utmb.edu](mailto:femcdani@utmb.edu)

2. Make an appointment to visit Faith (but please wait until after Match Day).
3. Learn about ERAS, NRMP and the advisors in the Department of Radiology.

Learn the “right way” to apply and don’t listen to “hearsay.”

This year we had over 400 applicants for our 6 spots. Our hope is to answer your questions, give advice, and help as much as possible. ERAS will not go on-line until Sept. 1, so there is plenty of time to find out about programs, policies, and the correct way to apply.

Thank you.
